THE GENUINE ALTERNATIVE

GASKET PAPER

Goss offer a range of Handi Gasket paper that should feature in all mechanical workshops.

If you can't source an off the shelf gasket for your particular application or it may be that it is no longer available, check out the range of Goss Handi Gasket papers. Including oil jointing, fabric reinforced and nitrile bonded cork types available to "Make your Own" gasket.

Easy to cut - Handy sizes

A must have for all mechanical workshops
